## **Piedmont gets its first Drive-Up ATM Bank begins renovation on drive-thru**

PIEDMONT, Okla. – Drivers of large vehicles can breathe easier now that Piedmont’s bank is renovating its drive-thru. F&M Bank will begin an approximately three month renovation project on August 21 that will include several much needed improvements.

The bank will add a new lane, expand the width of its current lanes and add **Piedmont’s first drive-up ATM**. When renovations are complete, the drive-thru will have a total of four lanes that are each 10 feet wide.

“If you have a large vehicle and live in Piedmont, you have to be a good driver,” joked Eric Anderson, vice president of F&M Bank. “Before, our customers with large vehicles had to pay close attention when maneuvering through our narrow drive-thru lanes. With our drive-thru improvements, curbs won’t be an issue for our customers’ tires anymore. The bank recognized the need for its lanes to match the growing size of today’s cars.”

To accommodate customers during the construction, F&M Bank in Piedmont will extend its lobby hours to match its normal drive-thru hours. In addition, the Surrey Hills branch welcomes customers to its drive-thru which is open from 7 a.m. to 7 p.m. F&M Bank in Surrey Hills is located 5 miles southeast of Piedmont on N.W. Expressway.

F&M Bank, “A neighbor you can count on,” has three locations: Piedmont, Surrey Hills and Rose Creek. F&M Bank serves their communities with full service personal and business banking products and offers the hospitality of a neighbor. To learn more about community events in the Piedmont, Surrey Hills and Rose Creek areas or about banking with F&M Bank, visit [www.fmbankokc.com](http://www.fmbankokc.com).
